INDEX TO VOL. LVI

Electrical Review and Western Electrician

JANUARY 2 TO JUNE 25, 1910

Published by
ELECTRICAL REVIEW PUBLISHING COMPANY
Marquette Building, Chicago.

NEW YORK:
13 Park Row

LONDON:
42 Old Broad Street, E. C.

Articles Marked * are illustrated; (E) indicates "Editorial"

A

Accidents, Georgia railroads must report.. 299
Accidents, running railroad without..... 1066
Accounting 736
Accounting and bookkeeping for central stations.... 128
Accumulator sheets, rapid forming of positive lead 786
Acheson, Edward Goodrich*..... 69
Advertising, a good example of central station 763
Advertising, calendar..... 1314
Advertising car, Chicago's first..... 451
Advertising central-station securities..... 1337
Advertising, central-station..... 1157
Advertising, co-operative..... 1235
Advertising, conviction in..... 1320
Advertising copy for central stations..... 763
Advertising electricity 1000
Advertising, few thoughts on power, by Charles A. Parker..... 342
Advertising, high-efficiency lamps and central-station, by Charles A. Parker..... 547
Advertising in Chicago, effective..... 1000
Advertising, indirect 473
Advertising medium, making most of electricity as, by Charles A. Parker....761, 801
Advertising, one form of..... 200
Advertising, unique 803
Advertising, value of syndicate, to central station, by Charles A. Parker..... 1233
Advertising, why some fails, by Charles A. Parker 997
Aerial navigation by wireless..... 86
Agreement, interesting counterpart..... 316
Air, dielectric strength of..... 634
Airships, light and power for..... 348
Alabama power projects..... 1261
Alabama power projects..... 1323
Allis-Chalmers business good..... 811
Allis-Chalmers Company..... 616
Allis-Chalmers Company's review of electrical business in 1909..... 107
Allis-Chalmers gas engine business good.. 955
Alternator, Latour compound*..... 495
Alternator set, producer-gas-driven*, C. & Co. 860
American Bell Telephone Company wins suit 852
American Cotton Manufacturers' Association, convention of..... 938
American District Telegraph Company of New Jersey purchased by Western Union 582
American Electric Fuse Company, new building for the..... 1340
American Electrochemical Society..592, 780, 981
American Engineering and Maintenance of Way Association 611
American Institute membership, increase in 436
American Institute of Electrical Engineers and Sons of Jove, joint banquet of..... 638
American Institute of Electrical Engineers, annual dinner* 172, 476
American Institute of Electrical Engineer, the annual convention of (E)..... 1307
American Institute of Electrical Engineers, annual meeting 1109
American Institute of Electrical Engineers, April meeting 676
American Institute of Electrical Engineers, Boston Section, joint meeting with American Society of Mechanical Engineers 430
American Institute of Electrical Engineers, Boston Section, joint meeting with Boston Section, American Society of Mechanical Engineers, and Boston Society of Civil Engineers.....129, 270
American Institute of Electrical Engineers, Charlotte (N. C.) meeting of...172, 237, 638
American Institute of Electrical Engineers, Chicago Section, joint meetings with Electrical Section, Western Society of Engineers.....71, 274, 337, 478, 743, 934, 1275
American Institute of Electrical Engineers, conventions of...638, 721, 727, 878, 1060, 1213
American Institute of Electrical Engineers, Fort Wayne Section..... 830
American Institute of Electrical Engineers, joint meeting with American Society of Mechanical Engineers 890
American Institute of Electrical Engineers, Lewis Institute Branch.....938, 1214
American Institute of Electrical Engineers, meeting under auspices of Railway Committee 1212
American Institute of Electrical Engineers, newly elected associates..... 80
American Institute of Electrical Engineers, Pittsburg Section.....232, 582, 1213
American Institute of Electrical Engineers, Pittsburg Section, banquet of..... 883
American Institute of Electrical Engineers, San Francisco Section..... 972
American Institute of Electrical Engineers, some coming notable meetings of..... 316
American Institute of Electrical Engineers, southern convention of (E)..... 721
American Institute of Electrical Engineers, Toledo Section 321
American Institute of Electrical Engineers, 242d meeting* 184
American Institute of Electrical Engineers, 243d meeting* 378
American Institute of Electrical Engineers, 244th meeting 586
American Institute of Electrical Engineers, 245th meeting 837
American Institute of Electrical Engineers, Washington Section 747
American Physical Society, convention of. 894
American Physical Society, papers read before 933
American Society of Civil Engineers, annual convention in Chicago.....1222, 1308
American Society of Civil Engineers, annual meeting 220
American Society of Heating and Ventilating Engineers 231
American Society of Mechanical Engineers, Atlantic City meeting.....1044, 1217
American Society of Mechanical Engineers, Boston Section, joint meeting with Boston Section, American Institute of Electrical Engineers and Boston Society of Civil Engineers 129, 270
American Society of Mechanical Engineers, joint meeting with American Institute of Electrical Engineers..... 890
American Society of Mechanical Engineers, joint meeting with Boston Section, American Institute of Electrical Engineers 430
American Society of Mechanical Engineers, provisional program for English meeting 1211
American Street and Interurban Railway Association, annual convention..... 1239
American Street and Interurban Railway Manufacturers' dinner* 272
American Supply and Machinery Manufacturers' Association 386, 703
American Telephone and Telegraph Company, annual report..... 589
American Telephone and Telegraph stock sold by Mackay companies..... 468
American Telephone and Western Union, dinner for prominent men in..... 828
American Telephone stock increase..... 926
American Telephone stockholders, no new stock for 836
American Telephone to have $500,000,000 capital 610
Among the contractors and supply men..... .....46, 296, 551, 807, 906, 1104, 1338
Anaesthesia by electricity.....377, 1064
Anchor, Everstick*, E. A. Co..... 1085
Anderson Carriage Company*..... 350
Anderson Carriage Company increases plant capacity 1294
Arc and incandescent light in medicine, by Dr. A. D. Rockwell..... 78
Arc and its complementary white light from mercury, by Herbert E. Ives..... 141
Arc lamp for high-class indoor lighting, intensified 738
Arc lamp with four carbons, three-phase... 1044
Arc lamps, comparative tests of light variations of different*..... 753
Arc lamps, saving operating expenses by long-burning flaming 139
Arc lighting in Canada..... 795
Arkansas Association of Public-Utility Operators 1043
Armature and field control for web printing presses, multiple series, by S. H. Sharpsteen* 604

Armored cables, resistance and reactance of 754
Arnold, Bion J.* 317
Arterio-sclerosis, curing, by high-efficiency currents 124
Artillery service, engineering in the coast, by Richmond P. Davis, * 1311
Ash carrier, electrically-driven 603
Asia, opportunity for American equipment in 130
Association of Edison Illuminating Companies' committee on electric vehicles. 468
Association of Electrical Contractors of New York 226
Association Railway Telegraph Superintendents, annual convention of 1204
Atlantic & Suburban Railway sold 1171
Atlantic City railway exhibits 1343
Aurora borealis caused by neon 73
Australasia, foreign trade opportunity in 787
Australian exhibition 1010
Automobile, advertising electric 943
Automobile campaign, strenuous, S. A. Co. 1244
Automobile garages, unique, by A. H. Sikes* 643
Automobile lamp, Hyray*, E. S. B. Co. 300
Automobile, popularity and economy of (E). 627
Automobile service, tungsten lamps in (E) 121
Automobile show, Chicago 322
Automobile show, tenth national New York 180
Automobiles, central-station sales possibilities for electric 392
Automobiles, electric-lighting system for*, W. S. B. Co. 553
Auto-transformers* 699

B

Babcock Electric Carriage Company* 350
Bactericidal effect of galvanic current 603
Baker Motor Vehicle Company* 351
Balances for three-wire systems, by A. G. Cooper* 594, 642
Baltimore, power house economics in, by Horatio A. Foster* 81, 134, 188
Batteries and prime movers in 1909 10
Batteries, wisdom and value of duplicate*, G. V. Co. 765
Battery capacities 892
Battery cars in New York 373
Battery charging sets.* G. E. Co. 909
Battleship North Dakota, machinery equipment of 129, 270
Beardslee chandeliers, new.* B. C. Mfg. Co. 254
Belden Manufacturing Company, new factory of* 348
Belgian prize for electrical research 1073
Bell Telephone system, history and development of* 654
Bell, Alexander Graham * 1309
Beloit, advertising electricity in 200
Belt, economics of leather (E) 371
Belts and chains (E) 1202
Belts, thin steel 791
Bending Machine, universal pipe.* J. F. C. & Co. 156
Benjamin Electric Manufacturing Company, new home of* 958
Benjamin tungsten fixtures, new.* B. E. Mfg. Co. 107
Berlin exposition postponed 551
Berlin-Rummelsburg power plant, new, by Frank Koester* 326
Bethell, Union Noble* 581
Bissell Company, F., new buildings for 406
Block signals, report on 1184
Block signal systems on steam lines 269
Blooming mill, electrically operated reversing* 975
Boiler economics (E) 219, 827
Boiler efficiencies and feed water 1267
Boiler explosives 750
Boiler explosions, by Charles L. Hubbard 528
Boiler settings 172
Boilers, diseases of (E) 673
Boilers, diseases of, by F. S. Allen 687
Boilers, Murray water-tube* 615
Boilers, oil fuel for steam (E) 1099
Bond car tracks in Lockport, N. Y. 250

Book Reviews.
A Handbook of Wireless Telegraphy and Telephony, by William Maver, Jr. 151
Der Betrieb Elektrischer Licht-und Kraftanlagen. (The Operation of Electric Light and Power Plants), by H. Pohl 151
Electric Power Plant Engineering, by J. Weingreen 804
Elementary Course in Perspective, by Sherman M. Turrill 804
Fowlers' Electrical Engineer's Pocket Book, by William H. Fowler 448
Freight Transportation on Trolley Lines, by Charles S. Pease 805
Handy Man's Workshop and Laboratory, edited by A. Russell Bond 805
High Frequency Electric Currents in Medicine and Dentistry, by S. H. Monell 804
Illumination and Photometry, by William E. Wickenden 804
Lecons d' Electrotechnique Generale (General Lessons on Electrotechnics) by P. Janet 151
Lecture Notes on the Theory of Electrical Measurements, by William A. Anthony 152

Book Review—Continued.
Motor Control, by Andrew Olsson 152
Radiation, Light and Illumination, by Charles P. Steinmetz 804
Technical Press Index 448
Telephonology, by H. R. Van Deventer 804
Theoretical Elements of Electrical Engineering, by Charles P. Steinmetz. 804
The Alternating-Current Commutator Motor and the Leakage of Induction Motors, by Rudolf Goldschmidt 448
The Calculus and its Application, by Robert Gordon Blaine 151
The Corrosion of Iron and Steel, by Alfred Sang 448
The Design and Construction of Internal-Conbustion Engines, by Hugo Guldner 448
The Dynamo, by C. C. Hawkins and F. Wallis 151
The Shot-Firer's Guide, by William Maurice 805
The Slide Rule, by J. J. Clark 152
Booklet, electric power 803
"Booster, the" 101
Boring jig, Ashland* A. E. Co. 1011
Boring Mill, new type of large*, C. M. T. Co. 908
Boston Edison Company wins suits 72
Boston electric club 792
Boston Elevated 153
Boston Elevated holding company favored. 180
Boston Section, American Institute of Electrical Engineers, joint meeting with American Society of Mechanical Engineers 430
Boston Sections of American Society of Mechanical Engineers and American Institute of Electrical Engineers, joint meeting with Boston Society of Civil Engineers 129, 270
Boston Society of Civil Engineers, joint meeting with Boston Sections, American Society of Mechanical Engineers and American Institute of Electrical Engineers 129, 270
Boston Subway, plans for another 83
Boston terminals, proposed electrification of 131, 132
Brake, new electric car 861
Brazil, direct cable to 126
Brennan monorail system for Alaska 1267
Breakdowns, insulation (E) 1202
Breakdowns, insurance against (E) 1146
Breweries, electric motors in 545
Brewery company to build power plant 637
Brewery, electricity in 42
Brick-making plant, gas-driven generator sets in. W. Co. 710
Brill thesis contest, J. G. B. & Co. 302
Bronzes, elastic limit of 1218
Brooklyn Edison improvements 972
Brooklyn Edison sales department holds annual dinner 630
Brooklyn Edison's addition 390
Brooklyn Rapid Transit franchise taxes. 327, 588
Brooklyn Rapid Transit gets large rebate 517
Brooklyn Rapid Transit increases wage scale 132
Brooklyn Rapid Transit propetties, valuation of 3
Brooks, Belvidere* 725
Brush, Charles F., visits his old laboratory 275
Brush discharge losses 757
Brush holder, new* 904
Brussels exposition 546
Brussels International Exhibition of 1910, by H. Marchand 1206
Buenos Aires centenary, electric lighting at 33
Buffalo Foundry and Machine Company, new shop for 663
Buffing and grinding equipments, alternating-current.* G. E. Co. 709
Busbars and lugs, cutout.* T. E. Mfg. Co. 814
Business developing 735
Business outlook (E) 515
Byllesby, H. M.* 925

C

Cable between England and France, new telephone* 702
Cable, British-Norwegian 285
Cable, Commercial Company to lay sixth 491
Cable companies, Canada seeks to control rates of ocean 269
Cable concession granted, Brazilian 731
Cable directory, new 894
Cable extended, German 697
Cable, Norway buys submarine 541
Cable opened, new 1223
Cable, power transmission by submarine 178
Cable rates to South American reduced. 1114, 1183
Cable relay, Kitsée* 901
Cables, resistance and reactance of armored 754
Cable systems in 1909 5
Cable to Brazil, direct 126
Cable, twenty-six-ton reel of submarine, by Robert A. Shelly*, W. Co. 402
Cable work 850
Cables, a busy time on the 1337
Cables, localization of faults in underground, by W. A. Toppin* 1172
Cables, location of faults in underground high-tension power 1106
Cadmium storage battery 276
Cahill Electrical Music Company to build new plant 1244
Calcium-aluminum alloys, electrochemical potentials of 984
Calcium carbide, grinding of, for manufacture of cyanamide 108
Calcium-carbide trust in Europe 70
Calendar advertising 319
Calorimetry, by Charles L. Hubbard* 245
Camden & Trenton Railway sold 634
Canada, hydroelectric legislation in 882
Canadian Electrical Association, annual convention of 1211
Canal, electrically-operated locks for barge 698
Canals, electric haulage on 249
Canals, state-aided 290
Car, Chicago's first advertising 451
Car contracts, pay-as-you-enter 1133
Car lighting, electric, by J. R. Sloan 693. 751
Car lines to use Edison storage battery, street 268
Car, "Monorail" cable 272
Caracas, electric light contract at 637
Carbon brushes, novel order blank for.* A. C. & B. Co. 301
"Carnegie," non-magnetic yacht 130
Cars for Southern Railway, gas-electric.* G. E. Co. 250
Cars in New York, battery 373
Cars, Interborough orders steel 94
Cars, new fare box for pay-as-you-enter 41
Cars ordered, new Edison storage battery. 797
Cars, pay-as-you-enter 1116
Cars, subway side-door 634
Cars, wear and life of essential parts of electric street 1215
Case, peculiar 1126
Cassiterite, electrolytic method for reduction of 984
Catalogue experience meeting of Technical Publicity Association 522
Catenary trolley construction 1212
Cathode emissions in vacuum tubes, dimensions of 1238
Cell, evolution and present status of dry. 983
Cell, selenium* 905
Cell, Townsend 984
Celluloid, non-inflammable (E) 1099
Cell, Whiting electrolytic 984
Census enumerators scarce 80
Census report of electric light and power stations 1228
Census report on telephones 1262
Central electric light and power stations, census report of 1228
Central Electric Railway Association, meetings of 133, 273, 684, 1216
Central hot-water heating station, description of a modern 1268
Central Georgia Power Company* 1118
Central of Georgia Railway's Macon shops, water supply system for* 696
Central-station accounting and bookkeeping in New York state 128
Central station, active 200
Central-station advertising, high-efficiency lamps and, by Charles A. Parker 347
Central Station Development Company* 552
Central-station heating 1269
Central-station heating in Detroit 1268
Central station industry (E) 1203
Central-station managers, a word to (E) 65
Central station rates, prizes for papers on 678
Central-station sales possibilities for electric automobiles 392
Central-station specialist, new type of (E) 418
Central station, steam heating from 662
Central-station stimulation 843
Central station, technical graduate and (E) 1147
Central stations, advertising copy for 763
Central stations and electric vehicles* 332. 392
Central stations, cost of power in three (E) 122
Central stations, cost of power in two (E) 170
Central stations for towns of 1,000 or 1,200 inhabitants, by Caryl D. Haskins 83, 136
Central stations, house heating from 484
Central stations, live selling campaign for. Mo. C.-H. Co. 502
Central stations, supply of electrical power for industrial establishments from, by R. S. Hale 434
Central stations versus isolated plants for textile mills 430, 529
Central Union Telephone Company 1032
Centralization, a roundabout way to (E) 218
Centralizing the heat supply 1270
Chain drive, noiseless high-speed*. P.-V.-B. Co. 766
Chains and belts (E) 1202
Chandeliers, new Beardslee*. B. C. Mfg. Co. 254
Charleston railway 980
Cheap electric power 1260
Chemist, functions of industrial 334
Chicago, automatic telephone service for 850
Chicago automobile show 322
Chicago Belting Company announcement 1078
Chicago, boosting 1235
Chicago City Railway 840
Chicago Consolidated Traction Company, rehabilitation of 133
Chicago Electric Club 37, 75, 129, 183, 236, 279, 318, 374, 422, 541, 580, 630, 684, 725, 787, 840, 891, 936, 974, 1056, 1114, 1168, 1222, 1260, 1320
Chicago Electric Club, personnel of* 236
Chicago electrical department, annual report of 70
Chicago electrical show* 126, 174, 222, 293
Chicago electrical show (E) 169
Chicago elevated loop situation 425
Chicago elevated roads to merge 1216
Chicago elevated roads, merger of assured 1308
Chicago, Independent telephones in 145

Chicago industries, to boost..... 1000
Chicago, municipal exposition for..... 637
Chicago Railways Company in receivers' hands 1101
Chicago Railways, new cars for..... 554
Chicago Sanitary District lighting scheme for Chicago streets.....974, 1032
Chicago Section, American Institute of Electrical Engineers, joint meetings with Electrical Section, Western Society of Engineers.....71, 274, 337, 478, 743, 934, 1275
Chicago Section, Illuminating Engineering Society.....235, 422, 600, 695, 849, 1108
Chicago Sanitary District power..... 1222
Chicago Sanitary District, sale of electric power yields net profit to..... 1204
Chicago south side surface traction systems consolidated 14
Chicago, special street illumination for West Madison Street..... 470
Chicago stock show, lighting of.* E. A. L. Co. 108
Chicago street car service, to improve..... 745
Chicago subway 780
Chicago Subway Company's plans..... 390
Chicago surface traction consolidation..... 1310
Chicago Telephone Company..... 401
Chicago Telephone Company report..... 1220
Chicago telephone situation..... 1231
Chicago Telephone Company's rates..... 1319
Chicago to St. Louis, electric line from.... 42
Chicago's complete lighting, progress in arrangements for 420
Chimney for electric-light plant, modern concrete* 485
Chlorine, new use for electrolytic, by J. B. C. Kershaw 788
"Chord, hydrostatic" 1219
Churches, electricity in (E)..... 923
Circuit breaker, combined tumbler switch and, C. W. D..... 203
Circuit-breaker, Westinghouse no-voltage releases oil.* W. E. & Mfg. Co..... 659
Citizens Light Company of Montgomery, Ala., changes hands..... 1310
Civil service engineering positions open... 24
Cleary, F. X., appointedd advertising manager of Western Electric..... 676
Cleveland, Electric League of..... 420
Cleveland, three-cent fare in.....276, 433, 522
Clock in Metropolitan tower, New York city, by Joseph B. Baker*..... 393
Coal and ashes handling equipment, some notes on, by David Gaehr*..... 25
Coal as a fuel, use and abuse of (E)..... 218
Coal handling, efficient (E)..... 419
Coal-handling machinery (E)..... 370
Coal mine plant wanted..... 603
Coal mines, electrical equipment for*..... 748
Coal mines, electrical installation for Hungaria 473
Coal production and consumption..... 1272
Coal purchases, saving money on..... 744
Coal, raise rates for soft..... 789
Coast artillery service, engineering in the, by Richmond P. Davis *..... 1311
Coherer action 1228
Coherers, new method of investigating..... 800
Coke ovens, electrical power from..... 332
Colin-Jeance system of wireless telephony* 701
College graduate, to the (E)..... 1258
Collieries in Great Britain, electrically operated 290
Colliery, electric plant for Scotch..... 904
Columbia astatic shunted switchboard type integrating wattmeters.* C. M. Co..... 956
Columbia University extends its sphere..... 377
Commerce of the United States in 1909, foreign 73
Commercial Cable Company employes entertained 3
Commercial Cable Company to lay sixth cable 491
Commercial Cable Company, twenty-fifth anniversary of 130
Commercial day, National Electric Light Association convention.....316, 724
Commercial relations of United States..... 828
Commercial Telegraphers' Union..... 1168
Commercialism, latitute in.....1107
Commission hearings, public untility policies at (E)..... 825
Commission news from New York..... 375, 425, 468, 628, 724, 780, 840, 876, 938, 985, 1057, 1100, 1221..... 1262
Commission publicity wanted, New York.. 527
Commonwealth Edison Company, telephone traffic of 657
Commonwealth Edison Company to build new power plant costing $15,000,000 to $20,000,000* 591
Commonwealth Edison operations..... 433
Commonwealth Power, Railway and Light Company 782
Compass, electromagnetic 473
Complaints, solicits..... 344
Compounding alternating-current generators by means of mercury-vapor rectifiers* 903
Concrete chimney for electric-light plant*.. 485
Concrete, electrical temperature measurements of 1073
Condenser water, separation of oil from by electrolysis 984
Condensing equipment and cooling towers (E) 922
Condensing water decision 691
Conductors, standardization of rubber material for insulated..... 152
Conduit construction, electrical*..... 639
Conduit construction, underground.....337, 478
Conduit for underground cables, a new*.... 1292
Conduit, Galvaduct 766
Coney Island fare case dismissed..... 582
Congress and hydroelectric plants (E)..... 2
Congress of Mining, Metallurgy, Applied Mechanics and Practical Geology, international 235
Connecticut magneto.* C. T. & E. Co..... 356
Connecticut Telephone and Electric Company, expansion of*..... 453
Conservation and water-power (E)..... 1145
Conservation board to form..... 936
Conservation of waterpower (E)..... 267
Consolidated Light and Power Company, Baltimore, to issue notes..... 1204
Consolidated Traction Company, rehabilitation of Chicago..... 133
Consolidation of south side traction systems in Chicago..... 14
Consolidation of vacuum-cleaning interests 1294
Construction, continuous work in line (E).. 123
Continent, year's electrical development on, by C. L. Durand 19
Continental lines held by St. Louis interests 34
Contracting, electricity in..... 653
Contractors and supply men, among.....46, 296, 551, 807, 906, 1004, 1184, 1338
Contract for motor-driven pumps, automatic.* G. E. Co..... 300
Controller for motor-driven valves, new type.* G. E. Co..... 346
Controllers, elevator.* C.-H. Mfg. Co..... 498

CONVENTIONS:

American Cotton Manufacturers' Association 938
American Electrochemical Society..... 592, 780, 981
American Engineering and Maintenance of way Association..... 611
American Institute of Electrical Engineers 638, 721, 727, 878, 1060, 1213
American Physical Society 894
American Society of Civil Engineers 1222, 1308
American Society of Heating and Ventilating Engineers 231
American Society of Mechanical Engineers 1044, 1217
American Street and Interurban Railway Association 1239
American Supply and Machinery Manufacturers' Association.....386, 703
Arkansas Association of Public-Utility Operators 1043
Association of Railway Telegraph Superintendents 1024
Canadian Electrical Association..... 1211
Central Electric Railway Association... .....133, 273
Electrical Contractors' Association of Indiana 1314
Engineers' Society of Western Pennsylvania 275
Florida Electric Light and Power Association 878
Illinois Electrical Contractors' Association * 1333
Indiana Independent Telephone Association 541, 878, 1128
International Airbrake Association..... 1058
International Congress of Inventors... 551
International Street and Interurban Railway Association 132
Iowa Electrical Association.....316, 780
Iowa Street and Interurban Railway Association 316, 637
Kansas Independent Telephone Association 1333
Master Car Builders' Association.. 1206 1308
Master Mechanics' Association..... 1206
Michigan Independent Telephone Association 541, 1128
Mine Inspectors of the United States.. .....1087, 1131
Minnesota Electrical Association...677, 735
Mississippi Electric Association..... 780
Missouri Electric, Gas, Street Railway and Water Works Association..... 937
National Association of Cotton Manufacturers 933
National District Heating Association.. .....677, 1119, 1268
National Electric Light Association*... 266, 276, 316, 420, 525, 676, 698, 724, 778, 924, 937, 1028, 1030, 1098, 1100 1102, 1114, 1150
National Electrical Contractors' Association 1228
National Electrical Credit Association.. 1260
National Electrical Jobbers' Association 782
National Fire Protection Association.. 933
National Supply and Machinery Dealers' Association 703
Nebraska Electrical Association ...839, 1007
Northwest Electric Light and Power Association 1272
Northwestern Cedarmen's Association. 124, 182
Ohio Electric Light Association..... 172
Ohio Society of Mechanical, Electrical and Steam Engineers..... 1174
Old Time Telegraphers and Historical Association 1220
Pennsylvania Society of Engineers..... 991
